

**THE 1590 TRUST**

**Conyers School**

**Scheme of Delegation**

**Effective date - 1 September 2023**

*The 1590 Trust*

*Incorporating Conyers School and Sixth Form, Bader,  
Kirklevington, Layfield, Levendale and Bewley Primary  
Schools*

## **Introduction**

The 1590 Trust has expanded since November 2016, from one to six schools. All the schools involved have chosen to so collaborate, on the basis of shared values and ethos.

This scheme of delegation defines the lines of responsibility and accountability for The 1590 Trust (the Trust). It aims to ensure members, trustees, local governing bodies, executive leadership and head teachers are clear about their roles and responsibilities. This overarching scheme of delegation for all decision making in the Trust, should not be confused with the written scheme of delegation of financial powers referred to in the Academies Financial Handbook.

The Articles of Association form the constitution of the Trust and take precedence over this scheme in the event of any dispute.

The Trust board delegates responsibility for the performance of the Trust, including the performance of the academies within the Trust, to the Chief Executive Officer (CEO), and determines on a case by case basis whether to delegate some responsibilities concerning the performance of each academy, to a local governing body.

The CEO is accountable to the board for the performance of the Trust as a whole and will report on the performance of the Trust and the individual schools within it, to the board.

The Trust intends to operate a delegated governance model, to promote the cohesion of the Trust and ensure local accountability and transparency. Factors which will influence the decision to delegate powers to a school local governing body include:

- school performance
- any recent Ofsted report
- financial and administrative performance
- leadership and governance capacity and capability

This scheme of delegation is based on the National Governors Association's model of 'earned autonomy' or 'mixed delegation'. It may therefore lead to schools operating on different schemes of delegation within the MAT, as additional schools join.

Each Local Governing Body is in effect a sub-committee of the Trust and it operates on those powers delegated to it by the Trust. In the event of serious concerns around the performance of the school and/or capacity of the local governing body, the Trust will review and revoke such powers as it deems appropriate.

## **Roles within the Trust**

### **The role of the Members**

The Members are the 'conscience' of the Trust, with the remit to ensure the Trust is effectively delivering on its charitable object. It is not an operational role. The Members have the power to both appoint and remove trustees, as set out in the Articles. Members receive the annual report on the performance of the Trust, from the Trustees. Members are also responsible for approving any amendments made to the Trust's articles of association.

## **The role of the Trustees**

The Trustees are the charity trustees (within the terms of section 177(1) of the Charities Act 2011) and are responsible for the general control and management of the administration of the Trust in accordance with the provisions set out in the memorandum and articles of association. The Board of Trustees (the board) is the accountable body for the performance of all schools within the Trust and as such must:

- ensure clarity of vision, ethos and strategic direction
- hold the chief executive officer to account for the educational performance of the schools and their pupils, and the performance management of staff
- Oversee the financial performance of the Trust and ensure its money is well spent.

Because trustees are bound by both charity and company law, the terms ‘trustees’ and ‘directors’ are often used interchangeably. We use the term trustee as it avoids the possible confusion caused given school senior managers are also called directors.

The trustees may establish committees either with delegated authority to make decisions or for the purpose of providing advice and support, informing the overall work of the Trust board. However these committees are not legally responsible or accountable for statutory functions, the Trust board retains overall accountability and responsibility. The responsibilities of board committees are set out in their terms of reference and the responsibilities for individual school local governing bodies are set out in their scheme of delegation. The Trust board may appoint to the governing bodies.

## **The role of the Chief Executive (CEO)**

The CEO has the delegated responsibility for the operation of the Trust including the performance of the Trust’s academies. The CEO will performance manage the academy head teachers. Where there is delegation to a local governing body (LGB) this will usually be done in conjunction with the Chair of the LGB. The CEO is accountable to the board of Trustees for the overall performance of the Trust.

The CEO is the designated Accounting Officer of the Trust. The CEO has overall responsibility for the operation of the Trust’s financial responsibilities and must ensure that the organisation is run on a financially sound and sustainable basis and secure value for money. The Director of Finance and Operations will manage the finances of the Trust, on behalf of the CEO.

The Head Teacher of Conyers School fulfils the role of CEO of the Trust.

## **The Trust Executive Management Team**

The CEO leads the Trust Executive Management Team of the Trust which is made up of the head teachers, director of standards and chief financial officer. This group will manage the strategic planning of the Trust and support the operation of the Trust board.

## **The role of the Academy Head Teacher**

The Head Teacher is responsible for the day to day management of Conyers School and Sixth Form. The Head Teacher will be line managed by the CEO but if there is delegation, would also report to the local governing body on those matters delegated to it.

## **The role of the Local Governing Body (LGB)**

The Trust board will establish an LGB for each school where it has determined to delegated powers to it, using the earned autonomy principles. The LGB will ensure arrangements are in place for the appointment of a chair, a minimum of two elected parents governors and elected staff governors (no more than one third of its membership). Responsibilities of the LGB may include:

- Building an understanding of how the school is led and managed and will determine what will be delegated
- Monitoring whether the school is:
  - Working within agreed policies
  - Is meeting the agreed targets
  - Managing its finances well
- Engaging with stakeholders
- Reporting performance to the board

As a committee of the Trust board, delegation can be removed at any time. A separate scheme of delegation is in place for each school within the Trust.

## **The role of an academy school advisory council**

The Trust board will establish an academy school advisory council and will appoint the chair, where delegation has been withheld from a school, under the principles of earned autonomy or mixed delegation. A minimum of two parent governors will be elected to the council and other governors appointed as required, including staff representative.

Those serving on the Council will be called Governors. The council may:

- Seek to understand how the school is led and managed: the academy principal will report termly on how the school is fulfilling the trust's ethos, vision and strategy
- Act as the panel when reviewing the head's decisions on exclusions, and parents' complaints
- Be the consultative body for the school's stakeholders
- Represent the school's stakeholders
- Forge links with the community
- Act as an ambassador for the school
- Seek to build up the capacity of the school advisory council, with the intent of being able to demonstrate to the Trust, a conversion into a Local Governing Body is practical

It is the intent of the Trust to seek to build up capacity and address any issues within an individual school, operating under an advisory school council, so as to enable that school to move to a local governing body, with delegated powers, over a period of time.

## **Training and Development**

All Members, Trustees and Governors should ensure they develop and maintain the necessary skills and knowledge to effectively discharge their roles, as set out in this scheme of delegation.

## **Conyers Secondary School Local Governing Body**

The Trust has determined to delegate in full to the Conyers Local Governing Body. The structure and remits of the Conyers School Local Governing Body are set out on pages 5-7 and a table summarising how key areas have been delegated is on pages 8-11. All meetings will be clerked and formally minuted, using Stockton's School Support Service, or in emergency, a member of the Trust staff.
