

# CONYERS SCHOOL AND SIXTH FORM

At Conyers, we're committed to developing the whole student. Our Passport for Life offers a structured journey of personal development from Year 7 to Sixth Form, underpinned by our values: **Ready, Respectful, Safe**. Through a broad range of enrichment—academic, creative, cultural, and leadership—students explore interests, grow in confidence, and gain vital life skills. From trips and clubs to mentoring and community work, **the Passport for Life prepares students for success beyond the classroom.**
